General information

You apply for a visa **in person at the Embassy in Stockholm**, with all documents stated below. Applications are accepted by appointment only, which is to be booked **online, via the link on our homepage**. Please note that the processing of your application usually takes several weeks. You need to present your original passport when you apply.

Basic information

- Documents not in the German language must be submitted with a certified German translation. A translation of the personal data page of the passport is, however, not required.
- Marriage certificates / birth certificates, etc. must be presented in the original with apostille/legalisation. Your original documents will be returned to you once your application has been processed.
- **PLEASE NOTE! Information can be found on the homepage of the German embassy in the respective country.**
- As a rule, visa applications must be approved by the relevant foreigner's authority in Germany. The visa can only be issued when this approval has been received.
- **Processing time is as a rule ca. 6 – 10 weeks** but can take up to 6 months in individual cases.
- Flight reservations are not required to apply for a visa – please only book when you have received your visa.
- The embassy reserves the right to request further documents.
- Missing documentation delays the procedure and can result in your application being rejected.
- **Please do not contact the embassy to check the status of your application during the normal processing period.** Such inquiries are extremely time-consuming for the visa section and can thus not be answered.
