Proof of adequate health insurance cover

If as a student you want to take out statutory health insurance, you must bear in mind that this insurance can only begin when you take up residence in Germany and after enrolment. If you enter Germany beforehand, private health insurance must be taken out for the period prior to enrolment and registering for statutory health insurance. In its terms and conditions, travel health insurance can exclude protection if a long-term or permanent stay is planned. So-called incoming travel insurance can also contain such exclusions.

Please note: The embassy reserves the right to ask for additional documents or information deemed necessary for processing your application at any time during the process and assumes no responsibility for applications submitted too close to your planned departure. Submission of the above-mentioned documents does not guarantee that a visa is granted.
