Proof of adequate health insurance cover

If as an employee you are subject to mandatory statutory health insurance, you must bear in mind that this insurance can only begin when you take up residence in Germany and enter into employment. If you enter Germany beforehand, private health insurance must be taken out for the period prior to employment beginning and prior to being eligible for statutory health insurance. In its terms and conditions, travel health insurance can exclude protection if a long-term or permanent stay is planned. So-called incoming travel insurance can also contain such exclusions.

Please note: The embassy reserves the right to ask for additional documents or information deemed necessary for processing your application at any time during the process and assumes no responsibility for applications submitted too close to your planned departure. Submission of the above-mentioned documents does not guarantee that a visa is granted.

Please note: The Visa Section is not able to provide individual advice or pre-screening of documents. In case of further inquiries that are not being answered on our website, you may contact the Visa Section via Email at visa@stoc.diplo.de
